## PhD in Politics

Admission procedure to cycle – a.y. 2025/2026

### List of the candidates admitted to the oral exam (through Cisco Webex system)

The following are the modalities for taking the test:

- **Time Slot**  
Candidates are required to connect to the exam at the assigned Time Slot and be available for connection during the whole assigned hour group.
- **Identification**  
In order to sit the exam, candidates will be identified through a valid ID.
- **Devices**  
Candidates must guarantee a stable and adequate connection and the test must be undertaken by using a computer (desktop computer or notebook) with fully functioning video camera switched on and clearly showing the candidate; moreover, to ensure better audio reception, candidates must equip themselves with a headset to use during the test.
- **Distance from the screen**  
Candidates must maintain an appropriate distance from their screens that is compatible with the use of their headsets and that ensures that they may not use archived documents on their PCs or consult the web or databanks.
- **Account to access the platform**  
For access to the platform to be used to remotely take the exam, candidates must always use the email address they have indicated in their application form.
- **Link for candidates with specific timeslots**  
The link received via email should be used solely to connect during the timeslot selected for the candidate on the day of the test.
- **Contactability of candidates**  
Candidates must be constantly available on the mobile phone number indicated on the application form throughout their oral exam.
- **Link for the audience**  
It is possible to listen to the oral exam by following the link below:
